**Why we need to walk**

**ON AVERAGE:**

1. **69** Canadians will be diagnosed with colorectal cancer every day

2. **90%** COLORECTAL CANCER IS TREATABLE with early screening, detection & proper treatment

3. **25** Canadians will die from colorectal cancer, daily

**COLORECTAL CANCER IS**

THE 2ND LEADING CAUSE OF CANCER RELATED DEATHS

FOR MEN & THIRD FOR WOMEN

**TOGETHER WE CAN PUT COLORECTAL CANCER BEHIND US.**
